Welcome to our restaurant! We strive to provide you with a seamless and enjoyable experience, both in person and online. To enhance your navigation and ensure that essential functionalities operate smoothly, we utilize cookies on our website. Our cookies are classified into different categories, with the Necessary cookies being crucial for the basic functionalities of our site. For instance, the CookieYes consent cookie ensures that your preferences are remembered, allowing us to respect your choices during your visits. We also use cookies from Google, such as the `_gcl_au` and `_ga` cookies, to analyze site performance and optimize your experience through targeted advertisements. These cookies help us track page views, visitor data, and campaign effectiveness, all while maintaining your anonymity. Additionally, we implement Facebook's `_fbp` cookie to deliver relevant advertisements to you across platforms after your visit to our site. Each cookie comes with a specified duration, after which it may expire, helping us manage our online presence effectively while respecting your privacy. We appreciate that you choose us and look forward to serving you soon!
