Ett Litet Makeri grundades anno 2012 som en familjerestaurang. Vi har en stor kärlek till att laga mat där allting väljs och lagas enligt säsong.

Vi är väldigt selektiva i valet utav våra råvaror och eftersträvar alltid högsta kvalitet. Maten lagas från grunden med passion och kärlek för att ge våra gäster en vistelse som de alltid ska minnas och längta efter att få återuppleva.

Oxfilen ska kunna smälta i mun, den fräska pastan ska kittla sinnen, pizzan ska kännas genuin och desserten ska ge hela familjen mersmak.

Varmt Välkomna!
